Excuses...excuses....excuses....I received a project from Larry Starfield and Lynda Carroll on Monday late afternoon which I am still working on....I added some edits to the AOC, but I am not yet ready to return it to you again. I have the ORC retreat tomorrow, and I have to go because I am a grunt-manager for this year. Larry and Lynda's project is almost done.....I will be working on Friday, so I'll send it then....
